

# THE GIFT OF GIVING

Nelson Mandela once said, “There can be no greater gift than that of giving one’s time and energy to help others without expecting anything in return.” It is safe to say that this year’s National Scholarship Benefit winners certainly know the true meaning behind that sentiment. Throughout their lives, all of them have selflessly volunteered their time to help others within their local communities. As they continue to move toward accomplishing their career goals, we encourage them to keep that in mind and never lose their giving spirit. Congratulations to all of our winners!
